## DESCRIPTION

This cosy conference room in Düsseldorf can accommodate 5 persons in total and is located in the middle of the city. The space is utterly suitable, when you are planning to have a corporate meeting, while still maintaining a cosy and comfortable atmosphere. It's the perfect place to get together outside the office and talk about your new project and brainstorm about new ideas. Everything is possible in this conference room with a size of 17 square meters, from catering options up to technical amenities. You will amaze your guests when they see this impressive room, after entering via the luxury entrance and being welcomed at the lobby. Your meeting or brainstorming session is sure to be a memorable one in this unforgettable location.

Your training room in Düsseldorf Kaiserteich will automatically be equipped with some bloc notes and pens, which allows you to do some brainstorming during your event. As your guests are not in the same room they are used to, their inspiration and creativity will be boost to the maximum, which allows you to get the most of your workshop or training. Furthermore, there will be highspeed W-LAN, a flat screen with HDMI and VGA, an adapter for Apple devices, whiteboards, flipcharts, pin boards, chalkboards and a toolbox. For an extra charge next to your rental price, you can rent an additional flipchart, a projector and screen, a flipchart block, a metaplan board including all the necessary tools, a facilitator's box and if you need anything else, you can always contact us to discuss options.

It's advisable to directly book catering, so that you can stay in the venue for a long time without having to leave and everything is perfectly arranged in advance. To provide your guests with everything they could possible need, you can add drinks, snacks and lunch to your conference room rental. Make sure to book this in advance and to specify your needs, so that everything can be perfectly arranged.

The location is absolutely convenient, as you can travel to Graf-Adolf-Platz station or Kirchplatz station by using U71, U72, U73 or U83, after which you only have to walk around 10 minutes to the building. It is also possible to take the metro with lines 3, 4, 5, 12, 15 and get out at station Friesenplatz, whereafter you will also have to walk around 3 minutes to the training room. You can have a short break around the adjacent rivers, which are only a few minutes away. Besides, your guests visiting from out of town will certainly love the vicinity of all the famous Düsseldorf hotspots, which they can visit by walking for a few minutes. For them, there are plenty of hotels in the direct vicinity.

Avec Spacebase, chaque workshop est pris en charge par l'un de nos experts qui vous aidera à donner vie à votre projet. If you need help please get in touch:
