As a sharing economy startup, we at Spacebase live what we preach and rent out our very own former office. The venue is a typical startup office in the backyard of an old industrial building. While the outside looks rough, the office itself is warm and welcoming.

If you are interested, we would love to show you 'our' area. We enjoy giving tips on what to see in Berlin. Especially for our favorite neighborhood Kreuzberg with the relaxing Landwehrkanal we have many recommendations. In case you book the office throughout lunchtime, you should take your time to enjoy one of the many restaurants. In our building, there is a nice Italian restaurant and across the street you will find a well known Korean restaurant with a great lunch menu.

You are more than welcome to book over the weekend, please keep in mind that there is no cleaning service as we are not personally at the location on weekends.

This bright and clean space is perfect for meetings, training workshops and seminars.

The room is just 100 meters from Görlitzer Bahnhof on the U12. Kottbusser Tor on the U8 is also a three minute stroll away where Alexanderplatz can be reached within 10 minutes.

\*\*\*There is no parking directly at the location and no elevator. \*\*\*

At Spacebase, every workshop gets matched to one of our experts who'll help bring your idea to life. If you need help please get in touch:
