DESCRIPTION

Private Roof Club is a unique and flexible event location for private events, professional workshops, and special conferences. In addition to an inspiring location we offer our guests attentive, personalized, and highly-qualified service as well as a gourmet-level culinary offer. Our kitchen is run by carefully selected chefs who create custom menus with local, organic, and responsibly-sourced fresh produce and gastronomy products. We create a warm atmosphere with personalized support. We bring our specific know-how to the service of your workshop, as well as all necessary materials. The dimension of customized and caring support is one of the most important elements of our service model.

Located directly between the East Side Gallery and Berlin's Spree River, the Private Roof Club occupies over 1000 sq/m in the top three floors of the historic silo building on Mühlenstraße. Just under the roof terrace is the 180 sq/m Club Floor, featuring an original wooden beam-ceiling, fully-equipped cooking island, custom gourmet coffee station and house bar, state of the art audiovisual equipment, and functional but tasteful furniture. With a comfortable atmosphere and creative vibe, the space is flexible and suitable for both dynamic daytime meetings and intimate evening events. Included with the space is the use of the beautiful 60 sq/m roof terrace with a panoramic view of Berlin over the Oberbaumbrücke, the Berlin Wall, and the famous TV Tower. One of the few original watch towers is connected to the roof terrace. The watch tower has a cabin like atmosphere and is for all guests, berliner and international, a great historical artifact that shows where the guests actually are and what happened on this location.

Our flexible loft on the 4th floor offers 250 sq/m of space with two large balconies over the Spree. The large sunny space lends itself to rearranging into different working and meeting setups, room divisions, and group breakout areas.

Our generell operation hours are 8:00 till 18:00 but we are more then happy to adjust to your convenience and liking.
